我们为什么需要电影节？

WHY DO WE NEED FILM

FESTIVALS?

当关锦鹏在《男生女相》(1998)一片的最后向母亲出柜时,他将其构建在了其母年少时对反串演员任剑辉的崇拜的背景之下。一百多年来,LGBTQ人群在大荧幕中找到了他们的酷儿英雄,但同性恋的世界也未尝不是同样。关锦鹏精彩的纪录片回溯了一个世纪的中国电影,并在每个年代的每个角落都找到了酷儿角色与欲望的影子。“这是完全正常的。”关锦鹏的妈妈回应道。她了解男女同性恋、双性恋、跨性别者以及酷儿们。她一生都在大荧幕上看着他们。

尚属首届的上海骄傲电影节今年以“酷儿家庭”为主题中心。不妨带上母亲前来参与,你会找到有关婚姻与收养、有关父母与老师、有关酷儿群体的各种电影;你会听到关于个人被群体所接受,关于旧俗新解的故事;你还会结识我们短片竞赛的参赛电影人们-我们全力支持着的令人激动的业界新声。中国的酷儿影线长期处于地下状态,但又在一个大家庭的支持下壮大着。我们对上海骄傲节、乃至全国全世界的这个大家庭,怀有感恩。

没有任何一种体验能与坐在一个影院的暗室里相比。“暗室”对男性酷儿圈子有着一个极为特别的含义。在黑暗中观看着、集结着的不仅仅是观众,更是表演者。他们伸出手去触碰,感受着并分享着他们的每一丝体验。影院亦无差别:触碰心灵,分享思想。一场电影节需要参与度、合作度、以及亲密度。这次电影节,便是给我们这个群体,给所有的母亲和酷儿孩子们,给我们整个酷儿大家庭的节日。

When Stanley Kwan came out to his mother at the end of *Yang±Yin* (1998), he framed it in the context of her own teenage desire for cross-dressing actress Yam Kim-Fai. LGBTQ people have found themselves in big screen queer heroes for

over a hundred years, but so too has the cis straight world. Kwan's brilliant documentary traces a century of Chinese cinema, and finds queer characters and desire in every corner of every decade. "It's normal," responds Kwan's mother. She knows lesbian, gay, bi and trans and queer people. She's been watching them her whole life on the big screen.

In our inaugural year, ShanghaiPRIDE Film Festival is themed around 'Queer Family.' Bring your mom. You will find films on marriage and adoption, on parents and teachers, on queer community. Stories of acceptance into institutions, and of reinterpretations of old traditions. You will also find our short film competitors, exciting new voices who we strive to support. Chinese Queer Cinema has long been underground, but thrives on the support of a family. To our family, at ShanghaiPRIDE, across China and internationally, we are thankful.

There is no shared experience like sitting in the dark room of a cinema. 'Dark rooms' hold a very specific meaning in queer male circles. Watching in the darkness, those who gather are not merely an audience, but performers. They reach out and touch, feeling and sharing every fibre of their experience. A cinema should be no different. Touch hearts, share minds. A film festival demands engagement, collaboration and intimacy. This is a festival for our community, for all mothers and queer children. For our queer family.

上海骄傲电影节 短片竞赛单元 ShanghaiPRIDE Film Festival Short Film Competition

04

举办短片竞赛单元实属上海骄傲电影节首创。我们欢迎任何探讨中国LGBTQ群体的故事。通过与全球最为活跃的酷儿电影盛会 - 英国Iris电影节达成的合作, 上海骄傲电影节的获胜短片将被选拔代表上海参加2015 英国Iris电影节, 并角逐其达3万英镑(30万人民币)的最高奖金。 我们2015年的主要目标是为新兴电影人创建一个建设性的、有前瞻眼光的平台。我们将颁发由行业内一支兼收并蓄的专业团队评选的6大奖项(技术方面及创意方面)。评委包括罗垠文(玩味广告)、麦圣希(安乐影片有限公司)及电影人李孟熙等。

For the first time this year, ShPFF is running a short film competition, open to stories about Chinese LGBTQ experience. We have partnered Iris Prize Festival (UK), one of the world's most dynamic LGBTQ film competitions. The winning short film from ShPFF will be selected to represent Shanghai at Iris Prize 2015, competing for a top prize of £30,000 (CNY300,000). Our main goal in 2015 is to establish a constructive and proactive platform for emerging filmmakers. We will be awarding prizes in six categories (technical and creative), judged by an eclectic panel of industry professionals including Desmond Loh (Stink Shanghai), Gary Mak (Edko Films) and filmmaker Quentin Lee.

短片竞赛合作伙伴： 英国Iris奖 Short Film Competition Partner: Iris Prize

英国Iris电影节 – 卡迪夫国际LGBT短片奖由迈克尔主教基金会支持，并一直是全球唯一一个致力于支持电影人下一部作品创作的LGBTQ短片奖项。Iris是电影人们需要的一切：资金、支持、与引导。获胜者会得到3万英镑的资金以在英国制作其下一部短片。迄今为止，在与该奖获奖电影人的合作下，已有6部影片制作完成。第7部影片亦在前期制作中。

Iris电影节十分愉快可以将上海骄傲电影节迎入Iris奖的大家庭。上海骄傲电影节将是Iris直接接触中国LGBTQ题材作品的重要门户。我们十分高兴可以与这一合作伙伴共事。

The Iris Prize – Cardiff's International LGBT Short Film Prize is supported by the Michael Bishop Foundation and continues to be the only LGBTQ short film prize in the world which allows the winner to make a new film. Iris is what film makers need – funding, support and guidance. The winner receives £30,000 to make their next short film in the UK. Six short films have been produced to date in collaboration with the winning filmmakers of the Iris Prize. The 7th short is in pre-production.

The festival is delighted to welcome ShanghaiPRIDE Film Festival into the Iris Prize family. ShPFF is an important gateway which allows Iris direct access to LGBTQ work from China. We are thrilled to be working with our new partner.

CINEMQ6

05

CINEMQ是每月一次的地下酷儿电影放映活动，期间展映国内外电影短片作品，致敬酷儿荧屏中的英雄们。其灵感来自于已经在丰富着上海文化生活的DIY电影放映活动。我们在过去已与许多放映场所合作，将极少在这个城市上映的电影带给了新的观众群。我们曾以墙为屏，席地而坐。

我们致力于探索酷儿影线的新潮流，并使观众重新阐释他们对电影史的理解。通过对肯尼斯·安格尔与圣女的回望，到对《巴黎在燃烧》、孙宇、吴永刚的新视角解析，我们直面并剖析了酷儿的自我形象。“触摸”、“怒火”、“锋芒”、“圣女”以及“渴望”…… 一次次的电影放映活动离不开场地支持方、电影人、DJ以及设计师的支持，更离不开你，我们忠实的观众，风雨无阻地来到狭小的放映室，只为一次CINEMQ式的观影体验。

CINEMQ is a monthly underground queer film series, screening Chinese and international short films and tributes to queer screen heroes. We were inspired by the DIY cinema circuit which already enriches Shanghai's culture, and have worked with a variety of venues to bring films rarely seen before in the city to a new audience. Walls have been or screens, floors have been our seating.

We explored new currents in queer cinema, and asked audiences to reinterpret what they thought they knew about film history. Through retrospectives on Kenneth Anger and Divine, to new perspectives on *Paris Is Burning*, Yu Sun and Wu Yonggang, we have confronted and dissected queer self-image. Touch, Anger, Shade, Divine and Thirst have been made possible with the support of venues, filmmakers, DJs, designers and finally you, the audience that has braved bad weather to sit in small spaces for the shared experience of cinemqatic delight.

CINEMQ6: /艳/ 将于6月11日星期四在Factory 54上演。光复路195号5楼，近乌镇路。入场免费，20:30至深夜。电影放映后将有魅惑迪斯科DJ助阵派对。

离家30年远赴英国的Junn在伦敦一家老年公寓生活。与她相伴的只有对亡子Kai的回忆。Kai的突然离世也让她在这一从未完全融入的异国文化中无比孤立。然而Junn的独处被Richard的出现所打破。Richard与她儿子的恋情也是她未曾想到的。在一位翻译的帮助下, Junn和Richard在悲痛中逐渐了解彼此。他们对Kai共同的爱跨越了语言的隔阂: “有的时候, 我们似乎都能理解对方。”

上海骄傲电影节十分荣幸承办洪皓导演这部作品在上海的首次公共放映。《轻轻摇晃》英国独立电影奖、英国电影学院奖和圣丹斯国际电影节中均有提名, 并斩获了2014年圣丹斯影节的最佳摄影奖。

Thirty years after leaving China for England, Junn lives alone in a home for the elderly in London. Her only companion is the memory of her son, Kai, whose untimely death has left her isolated in a culture she never fully assimilated into. Their mutual love for Kai transcends boundaries of language. "Sometimes, it seems we understand one another."

激励人心的存在、导师、文化偶像：像她的家乡夏威夷，希娜也在熔炼中诞生成长。她是太平洋中这片土地上的一缕活跃的灵魂，也是一名骄傲的原住民。希娜在自己的两个身份：凯恩（男）和瓦茜尼（女）之间占据着一个“中间地带”，并鼓励着自己的学生也这样接受自我。作为勇于接受自己的文化与自我认同的新一代夏威夷原住民，希娜将失落的过去、今天的希望和可能并不一定完美但一定充满期待的未来串联在了一起。

Inspiration. Teacher. Cultural icon. Like her native Hawaii, Hina came up out of the lava, a dynamic spirit and proud native of a land in the middle of the Pacific Ocean. Hina occupies her own 'place in the middle', between Kane (male) and Wahine (female) and empowers her students to do the same. As a new generation of native Hawaiians embrace their culture and identity, Hina is a conduit through which a lost past may be channeled into a hope for today, and a future that may not be perfect, but which is filled with potential.

导演：斯特凡·霍普特

Director: Stefan Haupt

地区及时间：瑞士，2014

Country & Year: Switzerland, 2014

德语配音，中英文字幕

German with Chinese & English subtitles

基于真实故事的《圈子》是一部关于恩斯特与罗比一生浪漫情感的文献片。恩斯特与罗比第一次相遇是在瑞士的首家同性恋组织——“圈子”。利用对已是暮年的几位绅士的采访、对50年代历史影像的发掘、和战后苏黎世同性恋生活的夸张再塑，这部电影的视角从当今跨越至“圈子”的兴衰。恩斯特，一位教师，和罗比，一位艳魅的变装皇后，随后成为了瑞士首批登记伴侣关系的一对恋人。除了描绘了两人的爱情故事之外，电影还是“圈子”遗产的一个有力证明。“圈子”至今仍是当今世界上支持同性恋法律及社会权益的重要期刊之一。

Based on true stories, *The Circle* (Der Kreis) is a docudrama about the lifelong romantic relationship between Ernst and Röbi, who met through Switzerland's first gay association – Der Kreis. With interviews of the now elderly gentlemen, historical footage from the 50s, and dramatized representations based on their accounts on the gay life in postwar Zürich, the film looks back from the present to the time of Der Kreis' rise and fall. Ernst, a schoolteacher, and Röbi, a flamboyant drag queen, later became one of the first to enter registered partnership in Switzerland. Besides depicting their love story, the film further serves as a powerful testimony to the legacy of Der Kreis, which remains one of the world's most important journals promoting the legal and social rights of gay men.

电影人米雷拉·范·马库斯寻找和她妻子克劳迪娅生育小孩的理想建构。除去想要孩子的强烈愿望以外, 他们有担忧和顾虑。她们能够在一个并不完全兼容的社会中抚养小孩吗? 米雷拉的疑问让她接触了一些女同性恋父母、经人工授精成长的孩子、发展心理学家、甚至那些面对想要小孩之人的顾问。《我们也想要孩子》是一个个人的、充满情感的提问, 两个女人分享了他们的担忧、疑惑、希望以及失望。

Filmmaker Mirella van Markus seeks the ideal arrangement of having a child with her wife Claudia. Despite their strong desire to have children, there are worries and doubts. Can they justify raising a child in a family which society doesn't always look upon with tolerant eyes? And as a co-mother, will Mirella have the same unconditional link with her child as Claudia, the biological mother? Mirella's quest leads her to lesbian parents, children born of artificial insemination, and a developmental psychologist; she even winds up on the sofa of an adviser who counsels people with a desire to have children. *We Want Kids Too* is a personal, emotional quest in which two women share their worries, doubts, hopes and disappointments.

“平等不是一种西方干预。”希拉里·克林顿一语中的。然而,世界其他地区的平等问题到底是怎样的?非西方国家的酷儿们又是如何为自己应得的平等而奋斗的?出于好奇与担忧,极具冒险精神的美国女同性恋者珍妮与丽莎决定抛下自己在旧金山朝九晚五的工作,拾起摄像机,穿越亚非拉,寻找在各地领导LGBT平等运动的人们。《走出来》将细腻的现实与一年旅途中和发展中国家LGBT领袖们的采访影像结合在一起,记录了今日世界各地酷儿群体地位发生着的重大变化。

“Equality is not a western invention.” Hilary Clinton’s remark beseeches no doubt. However, what is equality really like in other parts of the world, and how are queers in non-Western countries fighting for their deserved equality? Out of fascination and concern, adventurous American lesbian couple, Jenni and Lisa, decided to leave their 9-5 jobs in San Francisco, pick up a video camera, and travel through Asia, Africa and South America in search of the people who are leading the movement for LGBT equality. Combining intimate verite and video-journal footage of this couple’s year-long journey with their interviews of LGBT leaders across the developing world, Out & Around documents the momentous changes occurring in the status of queer people around the world today.

Launched in 2014, TIQFF has quickly become one of the region's leading queer film festivals, supporting Sino-language cinema and exploring new horizons of modern Chinese LGBTQ culture. TIQFF presents...is a special screening of two of their best films from last year (*100 Apples* & *The Younger*), as they cheekily ask, "Show us your shorts!" for their festival later this autumn. 出柜后不久,电影人马萨和安佳来到了卢布尔雅那同志电影节。她们与酷儿群体的第一次接触让他们发问:“斯洛文尼亚外面的酷儿电影节是什么样子的?”这个问题最终促成了《酷儿艺术行动主义》,一次穿越众多酷儿影节的疯狂旅行的诞生。这部热门纪录片以极为微薄的预算记录了五座城市与五场电影节。电影节为什么很重要,电影又是如何推进我们的运动的?追随他们的脚步,一起探索那些鼓舞人心的地方以及那些在酷儿影线组织活动庆祝艺术与平权运动的人们。

Shortly after coming out, filmmakers Masa and Anja found themselves at Ljubljana Gay and Lesbian Film Festival. Their first encounter with the queer world left them wondering, ‘What are queer film festivals like outside of Slovenia?’ The result was *Queer Artivism*, a wild roadtrip through a landscape of queer film festivals. This hit documentary takes in five cities and five festivals on a shoestring budget. Why are film festivals important, how do movies advance our movement? Follow them as they explore the places that inspire and the people who organise celebrations of art and activism in the queer cinema.

酷儿大学电影制作工作坊

Queer University Filmmaking Workshop

《影像创作的基本理念》工作坊：“每个人都值得被爱，如果你听过Ta的故事。”故事是消除人与人偏见和隔膜的最好方式，而故事的主人公则是最合适的讲述者，既可以摆脱他者的道德困境，又可以充分体现创作者的主观意识。正是出于这种考虑，我们希望这个工作坊可以帮助对影像感兴趣的朋友掌握基本独立创作的概念。如果你感兴趣制作自己的影像故事，请加入本次工作坊，与独立影像导演/艺术家袁园一起探讨影像的话语。

Basic Ideas in Image Creation Workshop: Everyone deserves to be loved, if you have heard of his or her story. Stories are the best way to eliminate prejudice and barriers among people, while the protagonist would be the perfect storyteller – it avoids ethical dilemmas and fully exemplifies the subjectivity of the creator. Out of these concerns, we hope the workshop can help those who are interested in filmmaking to master the basic ideas of independent creation. If you are interested in creating your own films of story, please join the workshop and discuss what images have to say.

In The Turn tells the story of the Vagine Regime, a collective of queer female roller derby enthusiasts whose passion for sport and ferocious sisterhood has empowered and inspired women and girls around the globe. The film follows several of their core members as they embark on new life journeys. One proposes to her long time girlfriend, another completes her journey to becoming a woman. At the heart of the story is a nine-year-old trans girl, who after years of bullying is inspired by the Vagine Regime to take up roller derby and regains her confidence and identity.
